Subject: Richard - Daycare Information

Hello everyone!

Well it's official I just registered Richard for daycare this morning, his start date is February 26. In basically two months from now (ayoye!). On the registration form they asked for Emergency Contacts in case we cannot be reached if something happens. We don't really have anybody here in Halifax, so we put you guys. I mean, this is only in an extreme situation that they would call you, but just thought i'd let you know.

Here is the daycare contact information:

Kids and Company
639 Portland Hills Drive
Dartmouth, NS
B2W 0J7
(902) 407-8802
dartmouth@kidsandcompany.com
Bethany Hogan, manager

They have webcams in the infant room so you can login and view your child. Feel free to login with my credentials if you want and check on Richard.
